Miami Beach CANCER WALK

"Beach Walk for a Cause"

Miamibeachcancerwalk.com

Join us Sunday, September 27th for our **2nd Annual Miami Beach Cancer Walk**. The walk will be held on World Cancer Day, at Altos Del Mar Park on 76 Street and Collins Avenue to 87th Street Boardwalk. The Miami Beach Cancer Walk is a community event dedicated to raising awareness and funds for cancer research and support services. With scenic views of our beautiful Miami Beach coastline providing a stunning backdrop, walkers come together not only to honor those affected by cancer but also to celebrate survivorship and resilience.

Our **Mission** is to Unite our community in the fight against cancer, one beach walk at a time. Cancer never stops, and neither should we,

Join us at the Miami Beach Cancer Walk where proceeds will be donated to The Mount Sinai Cancer Research Center.

The Miami Beach Cancer Walk is a 501c Non-for profit event By Open Hearts Foundation. We all know someone who has been affected by this disease or lost the battle against it too soon. It is time to put our little grain of sand and support this cause.

The event will be like no other done before as you will be walking on the sand/boardwalk while overlooking the beautiful and breathtaking beaches of Miami Beach. Cancer Walk Attendees will be walking on the sand and boardwalk. No bicycle or running allowed. All participants require a \$30 donation; the fee includes event t-shirt and refreshments and light snacks by our sponsors. Join us in making a difference, as we support those in need and strive for a future free from cancer.
